# Welcome to TRANSMEDCON 2024!

Dear Friends & Colleagues,

We are delighted to welcome each one of you to Chennai to be a part of the prestigious **12th Annual National Conference of the Indian Society of Transfusion Medicine, "TRANSMEDCON 2024,"** which will take place from **September 26–29, 2024,** at **Hotel Kaldan Samudhra Palace** in **Mahabalipuram, Tamil Nadu.**

This Annual Conference will be hosted by the Department of Transfusion Medicine, Madras Medical College, Chennai. The theme of the conference is **Discuss–Debate–Deliberate.**

**TRANSMEDCON 2024** promises a comprehensive scientific program encompassing a wide array of topics crucial to the transfusion medicine specialty. Distinguished national and international speakers will share their insights and experiences, highlighting recent technological advancements and addressing pertinent issues in donor management and clinical transfusion practice.

This conference presents a unique opportunity for delegates, particularly postgraduate students, to engage with leading experts in the field, fostering meaningful dialogue and knowledge exchange. We encourage participants to submit abstracts of their scientific work for presentation during conference sessions and take advantage of the pre-conference workshops offering hands-on learning experiences and interaction with esteemed national and international faculty.

Beyond the enriching scientific sessions, delegates will have the pleasure of experiencing the serenity and charm of Chennai in and around, which is known as the cultural capital of South India, and savoring the diverse delicacies of South Indian cuisine and social interaction, with ample time to enjoy the history and beauty of the city. Host city Mahabalipuram, or Mamallapuram, is a historic city and UNESCO World Heritage Site in Tamil Nadu, India. It is one of the most famous tourist sites in India. It is a part of the Chennai Metropolitan Area. It is a satellite town of Chennai.

We would humbly request you to extend this invitation to all your friends and colleagues from the fraternity as well, to make TRANSMEDCON 2024 a big success. We truly believe it will be a great opportunity for all of us to share our studies, views, and research observations in the field of transfusion medicine with all our fellow colleagues and to listen to the best of the speakers carefully selected by the most experienced scientific committee.

We eagerly anticipate your valuable participation at this forthcoming scientific event, which promises to be both intellectually stimulating and culturally enriching.

We welcome you all to enjoy the academics and the hospitality during this conference and ensure you take back fond memories to last a lifetime.

Yours Sincerely,

**Dr. B. Latha**

## About Chennai

Chennai is the capital city of Tamil Nadu. It is the political and cultural hub of Tamil Nadu and epitome of Dravidian movement in India.

Chennai is referred as gateway to South India. It may not have a Red Fort or a Marine Drive or a Victoria Memorial, but it is India's oldest modern city. There are several temples, churches, forts, mosques, palaces and natural attractions in Chennai. It is one of the four metropolitan cities of India and is the capital of Tamil Nadu. This state is famous for its beach, temples, fabrics, monuments, Carnatic music, classical dances, and food. It's an ancient city known for its culture, trade and architecture.

Chennai has its mark during the colonial times of British and French. It's a small Asia where you can witness different kinds of people, cultures, and traditions.

**Mahabalipuram**, also known as **Mamallapuram**, is a historic coastal town located in the Chengalpattu district of the southern Indian state of Tamil Nadu. Renowned for its ancient temples and impressive rock-cut sculptures, Mahabalipuram is a UNESCO World Heritage Site and attracts tourists, history enthusiasts, and pilgrims from around the world. It is just a one-hour drive from Chennai, a major cosmopolitan city in South India. September offers fine weather and is suitable for tourist activities. The town is situated along the Coromandel Coast, offering a unique blend of history and scenic beauty.

Mahabalipuram combines cultural heritage with natural beauty, making it a must-visit destination for those interested in history, architecture, and the arts.
