

TRANSMEDCON

MAHABALIPURAM | 2024

DISCUSS • DEBATE • DELIBERATE

Annual National Conference of Indian Society of Transfusion Medicine

26TH SEPTEMBER, 2024

PRE-CONFERENCE WORKSHOP

W4 TRANSPLANT IMMUNOLOGY AT ITS BEST

Venue:

Madras Medical College, Chennai

Time:

9.00 am to 5.00 pm

Travelling through time, from the time tested complement dependent cytotoxicity assay of the 60's to the currently sung hero -the single antigen bead assay, this workshop will navigate you through the varied tests and platforms of testing within the transplant arena, which have allowed for crossing previously set barriers, without compromising on graft longevity. Molecular platforms for defining HLA, from the SSP, SSOP to the NGS, platforms for antibody testing from the CDC, to the flowcytometric and luminex based platforms, Non HLA targets in transplant, the concept of epitope matching, their roles, pros and cons and more - will through a series of interactive case discussions, lectures, and demonstrations be addressed. Feasibility, accessibility and sustainability is key if equity in patient care is to be achieved. Come take part in a stimulating set of sessions as we discuss, debate and arrive at cost effective solutions that bring the best to the bedside of our patients in the area of transplant immunology.
